

Complies with EU and US food norms

From oil to chocolate ...
introducing the LM and LM45
KREBS Electric Spray Guns:

“Using the KREBS Electric Spray Guns LM25 & LM45 instead of brushing saves production time and reduces our costs! My team and I cannot do without them”
Executive Chef - Mr. Thomas Fahr
Marriott Hotel Frankfurt

- ✓ Secure & healthy
- ✓ Quicker and 50% less wastage than brushing (adjustable material flow)
- ✓ Multiple use: oil, grease, butter, jelly, jam, egg wash, chocolate, sauces etc.
- ✓ Dishwasher safe with easy disassembly
- ✓ Variety of nozzles to suit all requirements
- ✓ Powerful Swiss quality professional product.

LM25: food safe spraying for low-medium viscosity such as butter, oil, water, egg wash etc.

LM45: food safe spraying for medium-high viscosity such as chocolate, marzipan, glaze etc.
