PREP MATE

#12 PTO POWER DRIVE UNIT

NOW EQUIPPED WITH A 1 H.P. MOTOR!

Designed for heavy duty use, the Prep-mate* does not bog down even on the toughest loads. Driven by a 1 HP motor with a 1" wide Pol-V belt system, our Prep-Mate is a tough but quiet kitchen performer. A 5" deep prep container with cover comes standard with this unit. a vegetable slicer for cutting, a VS9H for shredding, and/or a meat & food chopper attachment can be used on this maximum price/value for years of trouble free performance. This unit is UL listed and NSF approved.

**The prep-Mate is a power drive unit only. see back for optional Univex attachments.*

WARRANTY

The Prep-Mate PM91 carries a one-year, on-site parts and labor warranty against any flaws in materials and workmanship. This period begins with the date of purchase and, provided the unit is used properly in accordance with our instructions, is in full effect for one year from that date. Any work to be performed under this warranty must be performed between the hours of 8:00 a.m. and 5:00 p.m. local time, Monday through Friday. Univex will not pay overtime charges for work performed other than during normal business hours. Damages incurred in transit or from installation error, accident, alteration or misuse are not covered. Transit damages should be reported to the carrier immediately. Univex shall not be liable for any consequential, compensatory, incidental, or special damages. Contact Univex Service Department for any warranty claims.
