CDR25 DOUGH DIVIDER ROUNDER

CDR25

Combo Dough Divider / Rounder

CDR25

Automatic Dual-Function For Commercial Use

Redesigned for increased dough capacity, more accurate portioning and simpler cleanup!

With a single, integrated piece of equipment, the CDR25 combo system eliminates time-consuming manual weighing and shaping of dough portions. Place bulk dough (up to 90 lb.) in the reservoir, dial-in the desired portion size, and begin dispensing uniform dough balls of consistent weight. Perfect for pizza and bread doughs.

The CDR25 offers a choice of portion sizes from 10 ½ to 26 oz. There's no time lost adjusting portion size because there are no tricky parts to change. Just set it to the desired portion and you're ready to go!

It's fast, too. Saving effort and labor cost. Process up to 90 lb. of dough at a time. The CDR25 can process more than 800 lb. per hour.

Process up to 90 lb. per batch

Eliminates tedious manual weighing and shaping

Simple knob adjustment for portion size – no components no change

Easy to clean – no tools needed for disassembly

Use for pizza or bread doughs

Rugged, stainless-steel construction. Unit quickly disassembles without tools for easy cleaning. NSF approved, UL & CE listed.

Warranty

The CDR25 carries a one-year, on-site parts and labor warranty against any flaws in materials and workmanship. This period begins date of purchase and, provided the unit is used in accordance with our instructions, is in full effect for one year from that date. Any work performed under this warranty must be performed between the hours of 8:00 a.m. and 5:00 p.m. local time, Monday through Friday. Univex will not pay for overtime charges for work performed other than during normal business hours. Damage incurred in transit or from installation error, accident, alteration or misuse is not covered. Univex shall not be liable for any consequential, compensatory, incidental, or special damages. Contact the Univex service department for any warranty claims.
