03-11

The Direct Entry 2-Alarm Timer features an easy-to-use simple direct entry. It has the ability to count up or down up to 10 hours by hours, minutes and seconds.

Ideal for a variety of foodservice uses from marinating meats and baking pastries to cooking entrees in the oven, the practical last count recall stores the last time setting for repeated events.

Features

- Counts up & down
- Big digit
- Direct entry
- Loud and long alarm
- Audio/vibrate alarm
