A breakthrough in cost control brings this slicer to smaller producers at a price that guarantees a fast payback. The "10" produces the same smooth slice that larger band slicers provide for major producers. With this machine warm, soft, white bread can be sliced for a competitive edge.

Specifications

Slicing speed (per minute)

5 to 12 loaves, depending on type and size

Min./max. loaf sizes

6" x 3" x 3" / 16" x 7" x 6" (l-w-h)
